## EDUCATION

### B.TECH

N.B.K.R Institute of Science and Technology -  
Vidyanagar

11/2021 - 05/2025

8.54

Course

- AI&DS

### Board Of Intermediate Education

Sri Srinivasa Junior College, Kavali

06/2019 - 05/2021

965

Course

- MPC

### Board Of Secondary Education

Z.P.P High School, Siddanakonduru

06/2018 - 03/2019

9.3

Course

- SSC

## INTERNSHIPS

### Python Programming

EduVetha

09/2023 - 11/2023

As a Python intern at Eduvetha, I gained practical experience in Python programming while supporting the development team. My responsibilities included assisting with coding tasks. I focused on enhancing my skills in writing clean code, debugging, and contributing to a collaborative learning environment.

### Java Full Stack

Tap Academy

02/2025 - 07/2025

Bengaluru

Completed comprehensive hands-on training in full stack web development covering both frontend and backend technologies. Built real-time projects applying modern development practices. **Technologies Used:** Java, Spring, Hibernate, MySQL, HTML5, CSS3, JavaScript, Python

Achievements/Tasks

- Developed a Food Delivery App with functionalities like user login, restaurant listings, and cart management. Built multiple mini projects including login systems, CRUD applications, and portfolio websites.

## SKILLS

Python

MySQL

HTML

Core Java

OOPs

CSS

JDBC

JSP

JavaScript

## PERSONAL PROJECTS

Audio Steganography | [Link](#)

- Developed a Tkinter-based application for audio steganography , enabling users to hide text messages with in audio files. Implemented for hiding and extracting messages, utilizing SMTP for email communication and providing user interface feedback. Designed modularity for ease of maintenance and further enhancement

Predictive Power Machine Learning Models for Machine Failure Status

- Developed a predictive model using Random Forest, Gradient Boosting, and Naïve Bayes to detect machine failures with 99.93% accuracy. Preprocessed industrial sensor data, evaluated model performance, and deployed the solution via a Django-based web interface for real-time failure prediction.

## CERTIFICATES

NPTEL Certification on Ethical Hacking - Indian  
Institutes of Technology Kharagpur [🔗](#)

Certificate Of Appreciation - AIESEC [🔗](#)

Certificate of Coordination and Support to the Literary  
Club - NBKRIST [🔗](#)

Internship Completion Certificate on Artificial  
Intelligence [🔗](#)
